- ☒ To modify the conditions of supervision as follows and dismiss petition (doc. 794) filed on February 3, 2021.

You shall participate in the Location Monitoring Program and shall comply with the conditions of home detention, which will be monitored by a location monitoring system determined by your probation officer, for a period of **three** months. You shall wear (a) location monitoring device(s) and follow the monitoring procedures specified by your probation officer. You shall pay all costs of the program based upon your ability to pay as determined by your probation officer.

CAUSE

On January 25, 2021, the probation officer attempted to conduct a home contact at Flynn's residence in Montgomery, Alabama. The probation officer discovered the residence to be vacant and abandoned. Flynn failed to notify the probation officer regarding his change in residence. Because Flynn's whereabouts were unknown, the probation officer filed a petition noting the violation and requested a warrant. On February 3, 2021, the Court ordered the issuance of a warrant for Flynn's arrest.

On February 13, 2021, Flynn was arrested by the Montgomery Police Department on the violation warrant. In lieu of revocation, the probation officer believes an alternative to incarceration is appropriate at this time. Flynn has agreed to serve three months on location monitoring. Location monitoring will be used as a tool to hold Flynn accountable to his conditions of supervised release and hopefully bring him back into compliance. It is recommended that Your Honor order the modification of conditions as noted above and dismiss the petition seeking revocation (doc. 794).
